

Stickers

Features: All stickers are printed onto high quality vinyl adhesive. They are water proof, UV and solvent resistant. They can be applied to nearly all smooth surfaces, which makes them a very cost effective way of branding your Company or product.

Dimensions: Available in any shape and size.

Colours: Up to full colour print

Standard Lead Time: Approximately 7 - 10 working days

Please Note: Not all stickers are suitable to be digitally printed. Screen Printed stickers are also available so contact us for a quotation.

Computer Cut Stickers

Features: Computer Cut Stickers & Lettering are digitally cut from high quality vinyls. Different grades of vinyl are available to suit your needs, be it a boat name or a door plaque. All computer cuts come supplied with application tape for easy application and are an effective way to get your name or your message out there.

Dimensions: Available in any shape and size.

Colours: Wide range of colours

Standard Lead Time: Approximately 2 - 7 working days

Prices Starting From
\$30.00
